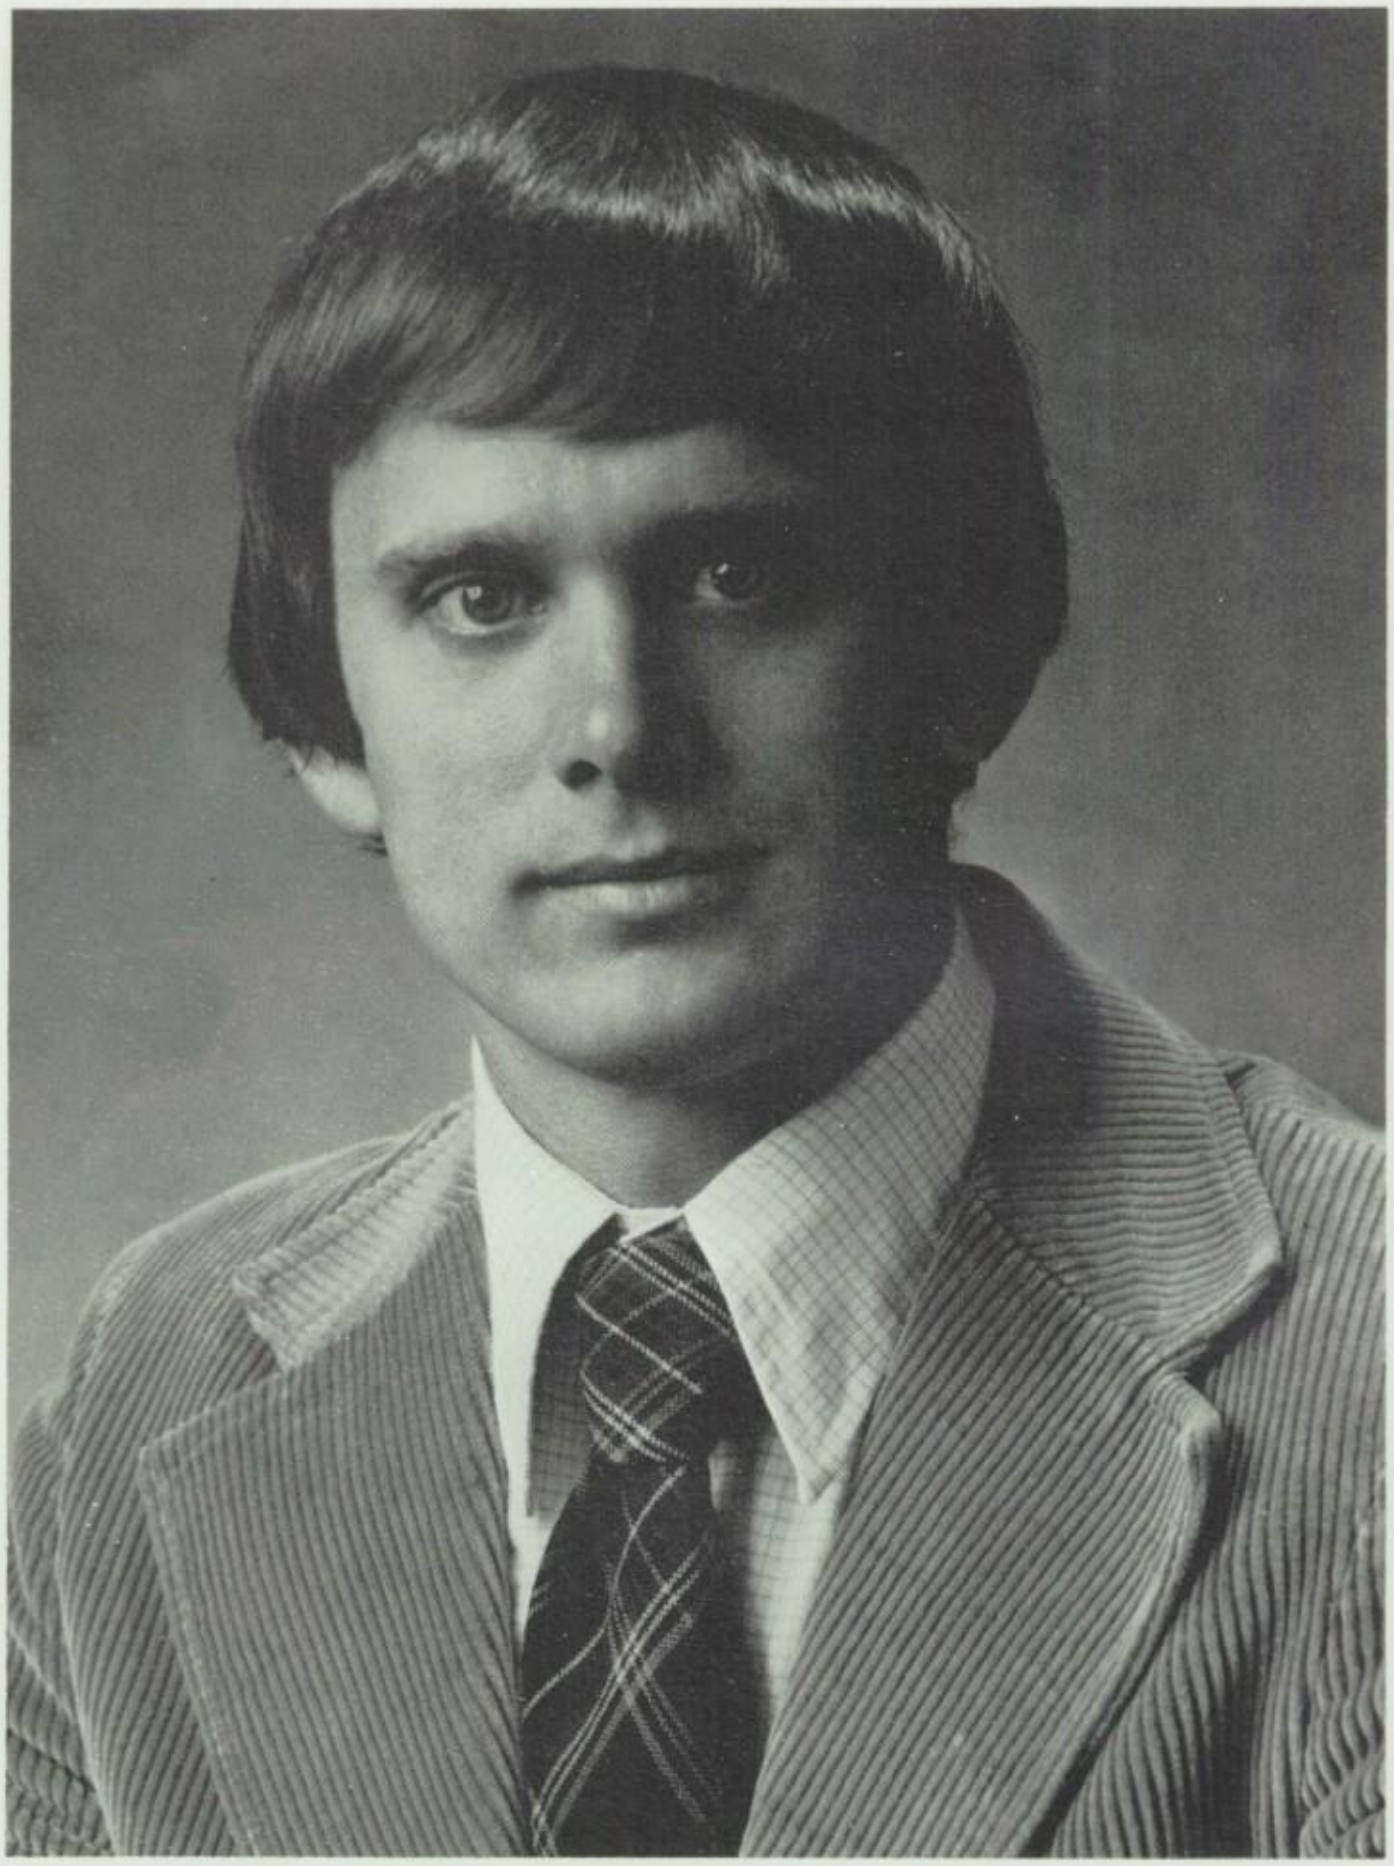
PRINCIPAL

The class of 1980 wishes to extend its appreciation to our principal, Mr. Eugene P. Smith.

The running of a school can be a difficult and trying job, one that must be done with care and concern. Mr. Smith has helped make the senior year for this class easier than it might have been. We wish to thank him for his concern for us.

We wish Mr. Smith well as we leave, and we hope that he will help the Town of Webb Schools to continue on a path of success and quality that we have enjoyed.



DEDICATION

The Class of 1981 takes great pride in dedicating its yearbook to Mr. Donald Allen.

Each of us has the deepest respect for Mr. Allen. We have known him as a teacher, coach and friend. In each of these areas he has helped us, earned our respect and made better people of each of us. We will remember him as a person who cared about us as individuals and as a group.

Mr. Allen's work for us and with us will leave us with many of those qualities in which he himself excels; honesty, ability, respect for others and dedication to his work.

Thank you, Mr. Allen for being a fine person and a good friend.

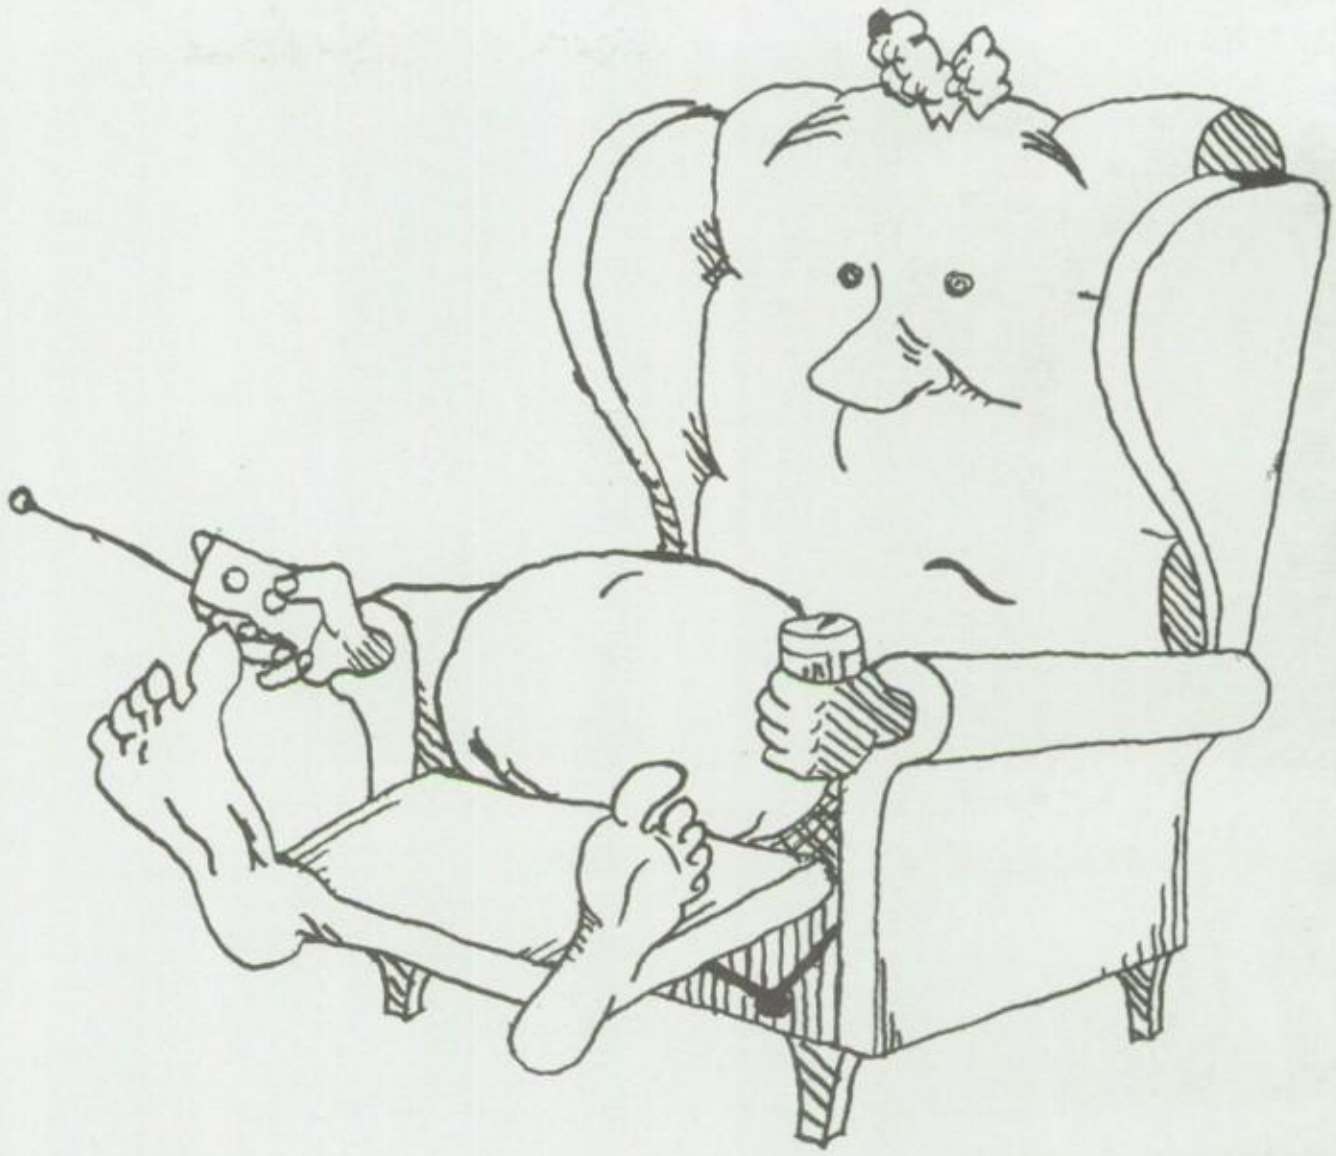
SENIOR LOUNGE



The Town of Webb Schools have been very, very lucky this year in having with us three fine foreign exchange students.

Not only have Bo Soegaard of Denmark, Sam Borjas of Venezuela and Sergio Arellano of Mexico become warm friends of ours, they have also contributed to our school and class spirit.

Without the three of these '81ers, our senior year would have lacked much in warmth and friendship!
